Website

We are currently reviewing the website of the SUT. Therefore not every function might work as intended. If there is anything you need but can't view right now, please reach out to us!

FAM

Thanks everyone for handing in your documents for the new FAM. We are working very hard together with the SU, sports center and CFM to finish the reviewed version. When we are done with the next step, we'll inform you about the following steps.

Action pictures

For the decoration of our office in the Bastille and for the use of promotional material, we are looking for action pictures of the sports sector. If your association has any cool pictures of you doing sports, please send them to us (board@sut.utwente.nl)!

ERO/EHBO group

To assist associations in finding ERO (BHV)/EHBO for their events, we created a WhatsApp-group. Please send the link to this group to the members of your association that are licensed to be either ERO or EHBO:
